

RAVENS-WAY WILD JOURNEYS

SKY ISLANDS BIRDS: LATE MONSOON SEASON

Whether you are a seasoned bird-watcher or beginner you'll be sure to enjoy this adventurous excursion! We'll slowly make our way through several habitats looking for Varied Buntings, Elegant Trogons, Grey Hawks, Yellow-billed Cuckoos, and many other iconic Sky Island birds. Not only will you learn how to find and identify birds, you'll also delve into their unique natural histories, their tracks and signs, and their breeding habitats.

WHEN: **AUGUST 31st**

TUITION: **\$55**

LOCATION: **RAVEN'S NEST, our 42-acre private & pristine Nature Sanctuary near Patagonia Lake!**

Bird-watcher, Naturalist, & Wildlife Biologist Vincent Pinto has been studying birds since his teens and guiding people since 1987. He has birded extensively throughout the Sky Islands, as well as in Japan, Singapore, Australia, Alaska, Mexico, Hawaii, Jamaica, and the Dominican Republic. Vincent and his wife, Claudia, run RAVENS-WAY WILD JOURNEYS - dedicated to the Conservation and Protection of Nature, Wildlife, and the Environment through a wide variety of Eco-friendly Programs and Adventures! Vincent has been teaching & raising awareness of Nature throughout the country since 1987.
