

RAVENS-WAY WILD JOURNEYS

THORNS, STINGERS, & FANGS! - SAFELY ENJOY THE ARIZONA WILDS

Black Widows, Rattlesnakes, Poison Ivy, spiny Cacti, Centipedes, Kissing bugs, Africanized Bees, Ants, Gila Monsters, Scorpions and more - welcome to the Southwest! How in the world can we enjoy the wilds with these daunting species as neighbors? In this class you learn to tell the difference between truly dangerous animals and plants versus those that we unjustly fear. Further, we'll delve deeply into the identification, natural history, and first aid involved with each fascinating species covered. Not only will you increase your knowledge and safety with each species, you may also discover that you've made a few unconventional friends along the way - just give them a wide berth at times!
