

# RAVENS-WAY WILD JOURNEYS

## ORGANIC GARDENING:

### BASICS OF SETTING UP YOUR GARDEN

Using Earth-friendly techniques, we will guide you step by step to create your own Organic Garden of nutritious and delicious edibles in the Desert!. Join this hands-on workshop to discuss: specific design and planning considerations, benefits from passive rainwater-harvesting techniques, the importance of composting, soil testing and preparation, seed propagation and transplanting, companion planting, efficient watering, local varieties of edible plants, creating useful garden structures, and how to overall nurture healthy edible crops.
