

RAVENS-WAY WILD JOURNEYS

A NATURALIST'S SAUNTER: CATALINA STATE PARK

Join Ethnobotanist, Naturalist & Wildlife Biologist Vincent Pinto in exploring the vast array of desert plants, wildlife, & archeological sites located in the foothills and canyons of this 5,500-acre, high desert park. The emphasis of this saunter will be a slow-paced exploration of the plants, wildlife, and geologic & human history of this rich and diverse wild area. Majestic Saguaros, Hawks, a rich riparian area, more than 150 species of birds, and perhaps even a Coati await you!
