

RAVENS-WAY WILD JOURNEYS

COCHISE COLLEGE - COILED BASKETRY: WEAVE A UNIQUE NATURAL BASKET

Weaving constitutes one of the most vital skills in the world. Baskets are great for storage, food preparation, backpacks, hats, carrying devices, and many other uses. Plant identification will soon lead us down the path of weaving our own baskets, using only what Nature provides. By the class's end you'll have crafted a striking basket from the bounty of Nature!

WHEN: MARCH 3

TUITION: Register at : www.cochise.edu

WHERE: COCHISE COLLEGE CAMPUS

Wilderness Survival Instructor, Naturalist, Ethnobotanist & Wildlife Biologist Vincent Pinto and his wife, Claudia, run RAVENS-WAY WILD JOURNEYS - dedicated to the Conservation and Protection of Nature, Wildlife, and the Environment through a wide variety of Eco-Friendly Programs and Adventures in the Sky Island Region! Vincent has been teaching & raising awareness of Nature throughout the country since 1987.
