

RAVENS-WAY WILD JOURNEYS

FLINT - KNAPPING INTRODUCTION MAKE YOUR OWN ARROW!

Learn the ancient art of Flint-Knapping, where you will learn how to transform rocks into arrowheads, spear points, saws, knives, and more! With the knowledge gained in this class you will make your own arrow and also be able to create a wide variety of useful & beautiful wilderness tools. Join us to learn the ancient art of flint-knapping which has been around for about 4 millions years!

WHEN: MAY 11

TUITION: \$60 includes All materials, a full day of exciting activities at our Stone-age Village, fascinating Nature & Science Discovery Center, Organic Gardens & Orchard, Ethnobotany Landscaping and more!

WHERE: RAVEN'S NEST, our 42-acre Nature Sanctuary near Patagonia Lake

Wilderness Survival Instructor, Naturalist, Ethnobotanist, & Wildlife Biologist Vincent Pinto and his wife, Claudia, run RAVENS-WAY WILD JOURNEYS - dedicated to the Conservation and Protection of Nature, Wildlife, and the Environment through a wide variety of Eco- Friendly Programs and Adventures in the Sky Island Region! Vincent has been teaching Stone - Age & Wilderness Survival Skills and raising awareness of Nature throughout the country since 1987.
