SOUTHWEST BASKETRY: WEAVE A UNIQUE NATURAL BASKET

Weaving constitutes one of the most vital skills in the world. Baskets are great for storage, food preparation, backpacks, hats, carrying devices, and many other uses. Plant identification will soon lead us down the path of gathering and weaving our own baskets, using only what Nature provides. By the class's end you'll have crafted a striking basket from the bounty of Nature!

WHEN: NOVEMBER 20

TUITION: \$55 includes all materials, use of our facilities: Nature Trails, unique Stone-Age Village, amazing Nature & Science Discovery Center, picnic areas, incinerator toilets, and much more!

WHERE: RAVEN'S NEST, our 42-acre private & pristine Nature Sanctuary near Patagonia Lake.

Wilderness Survival Instructor, Naturalist, Ethnobotanist & Wildlife Biologist Vincent Pinto and his wife, Claudia, run RAVENS-WAY WILD JOURNEYS - dedicated to the Conservation and Protection of Nature, Wildlife, and the Environment through a wide variety of Eco-Friendly Programs and Adventures in the Sky Island Region!
