

RAVENS-WAY WILD JOURNEYS

WILD MEDICINAL PLANTS: HEALING REMEDIES FROM NATURE

Gathering carefully from the incredible bounty of Nature in the Sky Islands Region, you will discover the healing power of Native wild plants. Step by step you'll learn how to find, identify, collect, store, process, and use a wide range of plants to address some of the most common ailments. With the knowledge you'll gain during this workshop you will make a plant-based medicine to take home!
