

RAVENS-WAY WILD JOURNEYS

NATURE TREK: PARKER CANYON LAKE

Join Ethnobotanist and Wildlife Biologist, Vincent Pinto, as you explore the beautiful environments and unique Biodiversity of Parker Canyon Lake. The wide range of habitats in this rich area promise much potential for encountering unique wildlife & Native plants. Following a vigorous Trek we will devote ample time to explore and discover what makes this area in the Sky Islands so unique - all with expert commentary and interpretation by a professional Naturalist!
